Because...

We have:

- Over a 90% success rate
- Closed more than 750 short sales
- Licensed, professional and experienced short sale negotiators
- A 24 hour online tracking system, but have not lost our personal one on one service
- Assisted hundreds of agents by taking over the extensive effort and time required in processing and coordinating short sale transactions, freed them to help more distressed homeowners, and helped increase their short sale closings

We do:

- Help agents prequalify short sale clients
- Create a complete document checklist
- Assist agents in gathering required documentation from sellers
- Review documents for accuracy and completeness
- Submit complete packages to lenders in a timely manner
- Process the short sale from submission to closing
- Request stays in foreclosure as needed
- Coordinate the closing with escrow
- Are a resource of knowledge for agents and their clients

WE CAN!
